WFE participants praise *Changjiang Weekly*

By Sue Liu

During the WFE, 500 copies of *Changjiang Weekly's* Fly-in Expo issue were handed out to international participants.

Frits Brink, president of the Fédération Aéronautique Internationale, showed great interest in *Changjiang Weekly's* special expo issue. After a quick browse of the newspaper, he said, "I'm very impressed by the newspaper. It's very informative and upbeat. I think it's important

to make this kind of news available to let people know about what's going on at the expo."

The special issue was also popular among the expo's participants. Ramón Alonso, the legendary Spanish stunt performer, was pleasantly surprised when he saw a picture of his nephew on the front cover. Ramón kindly posed for photos while holding the newspaper.
