

There are many species of birds at East Lake.

Metasequoia forest in East Lake Luoyan Scenic Area

Flocks of wild ducks live a happy and comfortable life at East Lake. **Photos by Lei Jiaming**

Lei Jiaming, a member of Changjiang Daily's photography club, visited East Lake Luoyan Scenic Area four times from June 18 to 23. He captured the beauty of the natural Metasequoia forest and the lives of wild birds through his camera. He hopes that East Lake can continue to preserve its natural landscape.
