

# Bin Bin teaches Wuhan dialect in WeChat's stickers

A series of animated stickers of Bin Bin, the mascot of the China 2019 World Stamp Exhibition, is available on China's top social media app, WeChat. These stickers reflect the wit and inventiveness of the Wuhan dialect frequently used by people in their daily lives. Let's learn some of the Wuhan dialect from Bin Bin.

看邮展克

Kàn yóu zhǎn kè means "Let's go and visit the World Stamp Exhibition!"
